Return for the year 1905-06. showing particulars of (i) the loans advanced by the Govt of India to Native States, (ii) the loans raised by Native States under Govt guarantee & (iii) the loans advanced to Native States from managed Estates & Local Funds for famine & administrative purposes since 1899-1900.

No 2912.

Pol. Deptt.

Bombay castle, 19th April 07.

Return for the year 1905-06 of loans advanced to Native States in the Kathiawar, Palanpur, Surat, Bijapur & Sholapur Agencies submitted by the P. Agents in accordance with G.R. No. 5755, of the 27th Aug 03, & No 4223, of the 11th June 1906.

Extract paragraphs 1 & 2 (a)(b) of the letter from the Govt of India in the Foreign deptt, No. 3216-I.A., of the 2nd Aug 1906:-

"2. I am to offer the following remarks with regard to the statements forwarded with your letter:-

(a) A large no of the entries in col. 15 of the returns are not clear but the discrepancies are probably due to certain sums of interest having been remitted under the Delhi Darbar concession: if this is so, it would have been well to explain it in the col of remarks.

(b) The arrangement under which recoveries effected from the Kathiawar estates were treated as having been made in liquidation of principal only, & which was accepted in this Deptt letter No. 1232-I.A, of the 23rd Feb 1906

appears to have been followed by the P. Agents in Kathiawar, Rewa Kantha, Palanpur & Bijapur. I am to invite a reference to paragraph 2 of my letter No. 1821 I.A. of the 18th May 1905, & to request that the order of repayment of liabilities therein prescribed may be strictly adhered to."

Pol. Deptt letter to the Acctt Gen, Bombay, No. 7197, of the 22nd Octr 05:-

"I am directed to forward herewith, for favour of early verification, the annual loan return of the Kathiawar, Palanpur, Surat & Bijapur Agencies for the year 1905-06.

"2. I am to point out that the figures in col. 9 of the Govt loan statement which represent, in a majority of cases, the arrears on account of interest prior to the year 1902-03, are shown in col. 15 as outstanding at the close of the year 1905-06. This is contrary to the orders contained of the Govt of India contained in Foreign Deptt Letter No. 1821-I.A, of the 18th May 1905, & 1232-I.A. of the 22nd March 06. I am therefore to request that, unless there are special reasons to the contrary, the loan statement for the current year may be revised in such a manner that, excluding the amount of interest on acct of the Delhi Darbar concession for the years 1903-04 to 1905-6, the recoveries effected during the current year from the States & Talukas concerned

shd. be first applied in writing off the arrears shown in col. 15 of the Statement & then towards the liquidation of the instalments of principal

"3. I am also to point out that, in view of the criticism of the Govt of India on the loan item for 1903-04 (vide G.R. No 6022, D/ The 1st Sept 06), it will be convenient if these Statements could be revised so as to show in col. 11 of the Govt as well as Guaranteed loan statements the amts of interest which actually became due for the year 1905-06, & the same amts in col. 13 as remitted on a/c of Delhi Darbar concession".

Letter from the Asstt Secy. Bombay, No. A.C. - 3969 D/ the 2nd Feb 1907:-

"With refce to Govt memorandum No 8178, D/ 8th Decr 06, I have the honor to state that the orders of Govt regarding the precedence to be given to the different dues of Govt have been duly carried out so far as the Govt loans are concerned. The apparent inconsistency in crediting to 'Principal' while 'Interest' is shown as outstanding, may be explained by the following examples:-

Loan No 1, Nawanagar State -

	Principal Rs	Interest Rs as ps.
Outstanding on 31st Mar. 1903	10,00,000	58,794-8-4
Remitted as a Darbar concession on 31st Mar. 1903	-	58,794-8-4
Repaid in 1903-1904	5,00,000	
Interest Due in 1903-1904		39,143-13-2

	Principal	Interest
Balance on 31st Mar 1904 :-	5,00,000.	39,143-13-2
Interest due in 1904-05		10,104-1-9
Repaid in 1904-1905	3,00,000	
Remitted as a Durbar concession in 1904-05.		
Balance on 31st Mar 1905	2,00,000	49,247-14-11.

According to the orders of the Govt of India the arrears on 31st Mar 1903 were to be remitted as a part of the remission of interest due in the three years 1903-04, 1904-05 & 1905-6. The sum of Rs 5,87,54-8-4 outstanding on 31st Mar 03 was therefore remitted. The interest due in 1903-04, 1904-05 was also to be remitted so long as it did not exceed (together with the interest already remitted) the amount due for remission in the three years 1903-06. This remission was not actually given effect to in accts of 1904-05 as a sum in excess of it had already been remitted out of the balance on 31st Mar 03. The State could not however be called upon to pay it because it was within the amt due for remission in the three years. When the accts were finally made up on 31st Mar 06 the acct stood as follows:-

	Rs a. p.
Due for remission :-	
1903-04	39143. 13 - 2
1904-05	10104 - 1 - 9
1905-06	8000 . - -
	57247 -14 -11
Remitted on 31st Mar 03.	5-8794-8-4
Excess remitted reversed	1,546-9-8

It will thus be observed that until the interest fell due for actual recovery it could not be recovered & any repayments made in the meantime had to be credited to 'Principal'.

"The rest of the accts have been worked out on this basis.

"Now that the concession period is over & the remission due to each State is actually ascertained it will be necessary to recalculate the acct of each State on the understanding that any interest due in excess of the amt to be remitted is a prior charge on the repayments made & that the balance only is to be taken to principal. All the accts will be recast in this light & the necessary re-adjustments will be made in the accts of 1906-07".

Letter from the Acctt Gen, Bombay, No AC-4097, dt 4th Dec 07:-

"With refce to Govt, PD, letter No 7197 dt the 22nd Octr 06, I have the honor to return herewith the Statements of Govt & other loans raised by Native States in the Mahikanthas, Palanpur, Surat & Broach Agencies for the year 1906-06.

"2. The Statements of Govt loans have been checked & the figures amended wherever

necessary. Detailed accts for the year 1905-6 of the 'Cattle Lead' & 'Petty Proprietors' loans under the Palanpur Agency have not yet been recd in my office. The figures shown by the P. Agent have, therefore, been retained in this case. The famine loan acct of the Palanpur State has been revised in view of the remission of expenditure on Kadmatja tank scheme, recently sanctioned by the Govt of India, & the revised figures as communicated to the P. Agent, have been entered in the Statement.

"3. Complete info. in connection with the Guaranteed & Local Fund loans is not available in my office. The Statements have, however, been checked so far as possible.

"4. The points refd to in paragraph 2 of the letter under refce have been separately explained in my report No. A.C.-3969, of the 20th Feb. 7.

"5. The statements of Govt loans for the years 1903-06 are being revised in the light of the remarks made by the Govt of India & will be submitted shortly. Statements of the Guaranteed & Local Fund loans will have to be revised by the local officers as sufficient details are not available

on the record of my office.

Resolution – A copy of the Return for 1905-6 shd be forwarded to the Govt of India.

2. Copies of the Return shd also be forwarded to the Comms, N.D, C.D. & S.D.; the P.Agents, Kathiawar, Kantha, Palanpur; the Collrs & P.Agents, Surat, Sholapur & Bijapur; the Accts Genl, Bombay & the Financial Deptt.

3. The political officers concerned are requested to revise, in consultation with the Accts Genl, the Guaranteed & Local Fund Loan accts for the years 1903-04 to 1905-6 in the manner indicated by that officer in his letter No. AC-3965, dd the 2nd Feb 1907, & in the light of the remarks of the Govt of India on the loan return for the year 1903-04; and to submit the revised statements to Govt at a very early date through the Accts Genl.

4. The return for the year 1906-1907 should be submitted punctually by the 1st of July 1907, and should contain the info called for in the GG No. 5513, dd the 7th Septr 1906, as regards short payments & arrears.
